

SALVATION ARMY HOLD CONGRESS HERE NOV. 25 - 30

200 Will Attend—Commissioner Rich Coming from Seattle to Preside.

The Annual Salvation Army South-eastern Alaska Congress will be held in Juneau this year and will open next Wednesday, November 25 to be in session to November 30. Staff Captain W. J. Carruthers, in charge of the Alaska Division of the Army, stated today. There will be an attendance of 200 including delegates and visitors. This will be the first Congress ever held in Juneau.

Captain Carruthers arrived here on the Yukon from his headquarters at Wrangell to assist Capt. J. Chalk and Lieut. I. Hawkins of the local Salvation Army Staff, to make arrangements for the Congress.

The Congress will be presided over by Commissioner Charles T. Rich, in charge of the western division of the Salvation Army. Commissioner Rich, Adjutant T. Mundy and Major A. Layman will leave Seattle on the steamer Victoria, sailing this coming Saturday, for Juneau. It is the first trip the Commissioner has made to Alaska.

Officers of the Salvation Army in Ketchikan, Wrangell and Petersburg, delegates from all the Indian villages where the Army is interested and visitors from the villages will be in attendance. The Ketchikan and Kake Indian bands will come to provide music at the Congress. The delegation will arrive within the next few days from the various points. Staff Captain Carruthers said.

The morning sessions of the Congress will be devoted to conferences with the envoys in charge of the work in the various Indian villages and the afternoon sessions will be devoted to conferences concerning the work in the entire Territory.

The evenings will be devoted to services which will be open to the public. Saturday night there will be a musical festival and Sunday afternoon Commissioner Rich will deliver an address on the work which is being done by the Salvation Army over the entire world.

INDICTMENT IN PETERSON CASE IS BROUGHT IN

Local Youth Charged with Robbing Mail—Leon Soon Enters Guilty Plea.

In almost record time, the Federal Grand Jury yesterday within a few hours after it was impaneled returned the first indictment of the current term of the U. S. District Court. It was against Paul Peterson, 16-year-old boy, charging him with robbery of the U. S. mails.

Peterson was arrested here about ten days ago and is alleged to have confessed to Federal officials that he had broken into several boxes in the local post office and removed letters and other mail. He is said to have acknowledged taking out checks from some of the letters. One such check, payable to C. E. Naghel, bore a forged endorsement of the payee's name. Peterson, it was said, admitted forging the endorsement. In a preliminary hearing before Judge V. A. Paine he was bound over to the grand jury on a charge of forgery. It was reported today that it was probable this charge would not be pressed owing to the youth of the lad who faces a possibly heavy sentence if he is convicted on the charge on which he was indicted.

Leon Soon, Chinese, appeared before Judge Reed in the District Court this morning and entered a plea of guilty to possessing and concealing narcotic drugs. He was sentenced to 60 days' imprisonment in the local Federal jail. A second count in the original indictment charged Soon with sale of narcotics. This was dismissed on motion of the Government's counsel.

R. E. Combs, of Haines, reported today for service on the grand jury, being unable to reach here sooner.
